INTRODUCTION &
OBJECTIVE

INTRODUCTION

OM SHREEJA Digital is a leading live streaming and digital broadcasting service provider based in Bihar. We specialize in delivering high-quality, real-time live streaming solutions for a wide range of events, including government programs, cultural festivals, corporate events, religious gatherings, political rallies, and public events.

With advanced technology, a skilled technical team, and extensive on-ground experience, we ensure seamless live streaming that connects your event with audiences across the globe.

OBJECTIVE

The objective of this proposal is to provide end-to-end live streaming solutions that:

Enhance audience reach
locally and globally

Increase digital engagement
and visibility

Enable real-time
participation and interaction

Promote transparency
and inclusivity

Deliver high-quality, reliable, and uninterrupted
live streaming experiences

03

OUR CORE STRENGTHS
(USP)

At OM SHREEJA Digital, our strengths lie in our technology, team, reach, and experience that enable us to deliver exceptional live streaming solutions for every event.
